Honorable Gregory H. Woods

MEMORANDUM ENDORSED

Re: Damien Reyes v. Riverbay Corp., 18 CV 5092 (GHW)

Dear Judge Woods,

In my 10.23.20 letter filed by ECF today with Plaintiff's in limine motion papers I indicated a set of the motion papers would be emailed to the court. However, I misinterpreted your Individual Rules at 4.A.ii.. It appears emailing motion papers is required only where ECF filing is not practicable. Please advise whether your Honor prefers transmission of the motion papers by email. Incidentally it would require a group of emails because the exhibits are so voluminous. I apologize for my error. Thank you.

Respectfully,

Robert B. Davis

Because both redacted and unredacted versions of Plaintiff's motion in limine papers have been filed on ECF, Plaintiff should not email the motion papers to the Court. The Court expects that it will rule on the motion to seal shortly after it rules on Plaintiff's motions in limine.

The Clerk of Court is directed to terminate the motion pending at Dkt. No. 126 because it was improperly filed as a motion.

SO ORDERED.

Dated: October 23, 2020

GREGORY H. WOODS
United States District Judge
